

Caledonia

Chorus

Women
Men

Let me tell you that I love you and I think a- bout you all the
time Cal - e - don - ia you're call - in' me now I'm go - ing home And
if I should be come a stran - ger You know that it would make me more than
sad Cal - e - don - ia's been ev' - ry thing I've ev - er had

I don't know if you can see
The changes that have come over me
In these last few days I've been afraid
That I might drift away
So I've been telling old stories, singing songs
That make me think where I came from
And that's the reason why I seem
So far away today

chorus:

Oh, but let me tell you that I love you
That I think about you all the time
Caledonia you're calling me
And now I'm going home
If I should become a stranger
You know that it would make me more than sad
Caledonia's been everything
I've ever had

Oh and I have moved and I've kept on moving
Proved the points that I needed proving
Lost the friends that I needed losing
Found others on the way
Oh and I have tried and kept on trying
Stolen dreams yes there's no denying
I have traveled far with conscience flying
Somewhere with the wind

chorus

Now I'm sitting here before the fire
The empty room, the forest choir
The flames that could not get any higher
They've withered now they've gone
But I'm steady thinking my way is clear
And I know what I will do tomorrow
When the hands are shaken and the kisses flow
Then I will disappear
